

2026 Studio Policies

Hello, and welcome to Adelaide Music LLC! At Adelaide Music, we believe in a holistic approach to music that centers around the student and teaches them to become life-long learners with a passion and curiosity not just for music, but for learning.

Instruments and Tuition

Adelaide Music LLC offers instruction in piano and voice, which includes basic theory and aural skills.

Tuition Rates (**due by the 8th of each month**):

Charter:

- \$172/month for 30 min lessons.
- \$249/month for 45 min lessons
- \$325/month for hour lessons

Private (non charter):

- \$167/month for 30 min lessons.
- \$242/month for 45 min lessons
- \$315/month for hour lessons

The monthly tuition is based on 46 weeks of lessons per year, averaged into a consistent monthly fee. This structure provides stability and predictability for both students and instructors, ensuring that tuition remains the same every month regardless of the number of lessons received. Tuition rates may be subject to change on a yearly basis. Music books and materials are purchased separately unless otherwise noted.

Late payments may result in a temporary pause in lessons until the account is brought current.

Lesson Schedule

Lesson times scheduled are considered permanent and reserved by the student. If the student and/or parents wish to make a permanent scheduling change, they must inform the instructor at least 2 weeks in advance, and cannot be changed more than once per semester. Schedule changes are subject to availability, Adelaide Music LLC reserves the right to terminate lessons if sufficient time is not given and/or a new time cannot be arranged.

Lesson scheduling will be re-evaluated biannually in early August and January. Both time slot and lesson duration will be assessed as student abilities develop. If a student is progressing and doing well, the instructor may recommend increasing lesson times in 15-minute increments.

Missed Lessons & Rescheduling

Student Absences

Tuition reserves a weekly lesson time in the studio and includes lesson preparation, curriculum planning, and administrative time. Because teaching schedules are full, rescheduled lessons are up to the teacher's availability/discretion, and cannot exceed 1 reschedule per semester.

If a student must miss a lesson, the following options are available:

Virtual Lesson – Students who are mildly ill or traveling may attend their lesson online during their normal lesson time.

Missed a Lesson?

Here's a **quick guide** on what to do.

Sick? → Request a Zoom/Facetime lesson at your normal time (and feel better!)

Vacation? → Submit your videos in advance for an asynchronous lesson and receive feedback from your teacher during your usual lesson time.

Forgot? → Lesson is forfeited (no reschedules).

Teacher absent? → Already factored into tuition. If absences exceed 6 per year, they'll be made up or refunded.

Video Feedback – Students may submit a short video of their practice before their scheduled lesson time and receive feedback and practice guidance. The teacher can use the scheduled lesson time to provide responses to the work submitted.

One Reschedule per Semester – Each student may request **one rescheduled lesson per semester**, pending teacher availability. Reschedules cannot be guaranteed and must occur within the same semester. Unused reschedules do not carry over.

Teacher Absences and Studio Closures

Tuition is based on 46 lessons per year, with up to 6 teacher absences or studio closures already built into the annual calendar. If the teacher misses fewer than 6 lessons, students may receive more than 46 lessons in a year at no additional charge. If teacher cancellations exceed 6 lessons in a year, those lessons will be made up or refunded.

In the event of a teacher absence due to family emergencies, extended leave, illness, or other circumstances, a scheduled lesson may be affected. When possible, Adelaide Music LLC may provide a qualified substitute teacher to ensure continuity of instruction. Tuition remains unchanged in these cases.

Photo and Video Policy

From time to time, Adelaide Music LLC may take photos or short videos of students during lessons, recitals, or studio events to celebrate progress and share studio life on our website, social media, or other promotional materials. Students will never be identified by last name, and content is shared respectfully and age-appropriately.

If you prefer that your child not be included in photos or videos, please notify us in writing, and we will happily honor your request.

Adelaide Music Studio – Tuition & Makeup Policy FAQ

1. What is a flat monthly rate?

A flat monthly rate helps create a more predictable and sustainable structure for both families and the studio. Instead of fluctuating costs each month due to cancellations, tuition will be spread evenly across the year—just like a college, dance, or sports program. This also allows us to avoid raising lesson rates while continuing to provide high-quality instruction.

2. Will this cost me more?

Not necessarily! In fact, our tuition model includes savings for our most consistent students. By maintaining a yearly lesson structure, students who regularly attend may actually pay less than before.

3. How does the tuition structure work?

Tuition is based on a 46-lesson year, divided evenly into 12 monthly payments. This accounts for an average of six missed weeks due to studio closures and teacher absences.

For example, we are already factoring in closures such as:

- ✓ Thanksgiving Break (Wednesday–Friday)
- ✓ Christmas & New Year's Weeks

Any additional studio closures will be announced to students in advance, usually at the start of the semester.

4. What if my child misses a lesson? Can I get a refund?

Because tuition reserves your child's weekly spot, we do not offer refunds for missed lessons. Each student may request one rescheduled lesson per semester, if a suitable time becomes available in the teacher's schedule. Reschedules are not guaranteed and must be used within the same semester.

5. What if a teacher cancels a lesson?

If a teacher is absent for more than six weeks in a year, you will receive either:

- ✓ A tuition adjustment for the following month OR
- ✓ A refund for the extra missed lesson.

6. What if we're gone for an extended time (vacation, illness, etc.)?

Tuition is still due to hold your lesson time. However, if you plan to be gone for a full month or longer, please reach out to discuss potential options.

7. Can I pause or cancel my tuition?

You may cancel lessons at any time, but tuition will be charged through the end of the billing cycle and is non-refundable. If you cancel, your lesson slot will be released to another student. Paused tuition does not hold your lesson slot in the studio schedule.

8. What if I have more questions?

We're happy to chat! Feel free to reach out with any questions or concerns to info@adelaidemusicllc.com. We appreciate your support and look forward to another fantastic year of music! 🎵
